

BRITISH STANDARD CRITICAL INJURY FIRST AID KIT

SUPA-BOND™
PROPRIETARY ADVANCED
ADHESIVE PERFORMANCE

Surefill™ Critical Injury Kits are designed to be provided in addition to basic first aid kits where there is risk of severe injury or catastrophic bleed. Containing advanced first aid products designed to treat bleeding injuries it is ideal for businesses that work with dangerous machinery or sharp instruments, cutting equipment, power tools or firms that operate in industries such as construction, agriculture or forestry.
