

# HEALTHCARE, WE MAKE IT BETTER

2022 PHARMACY CATALOGUE

## WE CAN BE AEROS!

YOUR NEW RESOURCE FOR FIRST AID PRODUCT EDUCATION IS NOW

**WWW.WECANBEAEROS.COM**

With our wide range of first aid & woundcare products, we're committed to being your go-to manufacturer for first aid & wound care, focussing on delivering superior health outcomes and strong brand loyalty.

## SOME THINGS YOU SHOULD KNOW ABOUT US

- We are Australian driven and Australian owned. We hold TGA approval and ISO13485 accreditation for our large stockholding of over 3000 pallets in regional NSW.
- We're committed to giving you a customer service and brand engagement you deserve, from our head office customer service team to our sales representatives on the road.
- We are a wholesaler only supplier and regularly contribute to your business by directing consumer and end users directly to you. We do not sell direct to public.
- Operating globally, we use our production volume to achieve competitive pricing on quality product ensuring your margin and profitability remains strong.
- We believe true loyalty is keeping your company ahead of the competition. Our unrelenting passion for product development and improvement ensures our customers growth and success in today's challenging business environment.

## FIRST RESPONSE PRODUCTS

Aero has a full range of consumable supplies that support first response and extreme or emergency situations. From haemorrhage control to oxygen therapy and patient transport, we cover vast requirements for any emergency.

### RapidStop Tourniquets | Bleed Kits

Award-winning, rapid application tourniquet that maximises the chances of survival. RapidStop® represents a haemostatic solution with military-grade ruggedness, all age suitability, superior single-handed application and the fastest average occlusion time.

### FirstCare Emergency Bandages

FirstCare's selection of bandages cover a variety of wounds, are sterile, vacuum sealed and have a best-in-class 8-year shelf life. The Emergency Bandage® is a non-pneumatic pressure bandage that has been the standard of care for haemorrhage control.

### Oxygen Therapy

AeroRescue offers a range of advanced resuscitation and oxygen therapy equipment for first response situations and safe application of essential CPR.

### Stretchers & Emergency Transport

AeroRescue Stretchers are a light-weight high strength solution for many and varied patient recovery situations. Available in a variety of designs and materials for use in a wide range of environments and applications.
