3. These terms and conditions supersede all previous negotiations and conditions.
4. Headings are for convenience only and do not affect interpretation.

If any provision is found to be illegal, invalid or unenforceable, that provision may at AERO HEALTHCARE option, be read down to the extent necessary and reasonable in all the circumstances to give it a valid operation of partial character. If any provision cannot be so read down, that provision will be void and severable and the remaining provisions will not in any way be affected or impaired.
